

# SIXTEENTH PUBLIC SALE OF **RARE COINS**

to be Sold by Mail Auction  
to the Highest Bidder Without Reserve  
Friday, September 25, 1925, by

**M. H. BOLENDER**  
Rock City, Illinois

**TO COLLECTORS:**—Because of new business interests I now have a double address, mail reaching me at both Rock City and Orangeville. Please address me at Rock City if you can remember, but mail addressed to my former address will also be received. Quicker service can be given if addressed to Rock City.

Besides lots of good coins, this sale has some unusual and rare 1876 Philadelphia Centennial medals, badges, pins, etc.

Collectors of experience have found that not all dealers classify the condition of coins alike. I believe in holding the standards of condition high and shall deem it a favor if you will return at my expense anything which does not appear as described.

Here are just a few reasons why you should make your bids liberal:

(a) No commission charged for faithfully executing your bids.

(b) If you have established credit or send references you have 30 days time to pay for coins.

(c) If no bids are received from you, your name may be dropped from my mailing list which is growing too large due to success of past sales.

(d) Coins will be bought as much below your bids as possible as this is competitive bidding carried out in good faith. I pledge my honesty to make an effort to absolutely buy below your bids. One customer writes: "This is the first time in 30 years of buying at auction that I received coins at less than my bids." It was his first bidding at my sales.

(e) If goods are not satisfactory (you are to be the judge), you are at liberty to return them at my expense without any danger of offending. This is a mighty strong guarantee. Thus, you can not lose a cent. Instead of returning lots, here is what they said:

## TESTIMONIALS

"The coins were all very nice and I am well pleased with what I got; I only regret that I did not bid higher on a few others."

"Coins were highly satisfactory. Don't fail to send lists."

"Sorry I did not get a few of the others offered but accept my many thanks for what I got."

"They were satisfactory in every way and I wish to thank you."

"I was more than pleased with the coins and I want to thank you for your quick business service."

"Coins received O. K. and proved to be most satisfactory."

"I appreciate your efforts and faithful service in buying below my bids."  
"I had my first experience with your mail auction and found it to be very satisfactory."

LET ME SELL YOUR COLLECTION OR DUPLICATES IN THESE SALES. Quick returns and satisfactory results are realized. My sales are held regularly each month. Next sale in October. Write for terms.

PLEASE BID BY THE PIECE UNLESS STATED TO BID FOR THE LOT.
